## **UPDATE MARCH 2023**

## FREE CHIPPER CREW

Many of us have downed tree limbs on our property from the recent storms, or from clearing and general maintenance. The Mendocino County Fire Safe Council has a crew that will come to your address and turn your woody debris into useful mulch (or haul the chips away if you prefer). Way preferable to burning! SIGN UP NOW to be notified when the chipper crew will be in our neighborhood. The more properties registered (within a 10 mile radius), the easier it will be to arrange a chipper day in the area. <a href="https://www.chipperday.com/mendocino">https://www.chipperday.com/mendocino</a>

Read the instructions on their website and build your piles appropriately. <a href="https://firesafemendocino.org/wp-content/uploads/2022/09/2022-Chipper-Pile-Guidelines.pdf">https://firesafemendocino.org/wp-content/uploads/2022/09/2022-Chipper-Pile-Guidelines.pdf</a>
