Caspar Community, Inc.  
is a federally recognized  
charitable organization  
EIN: 94-3321996

It's been an active year for Caspar Community. Dalen has retired as Executive Director and has been replaced by Sienna Potts as Office Manager and Sarah "Millie" Million as Community Center Manager. Our Caspar Community staff moves on to the next generation! As always, many thanks to our tireless volunteers, both young and not so young.

Your year-end contribution is a very important part of our budget. Your gift helps fund the many valuable programs that make living here on the coast so special. It also pays for maintenance and improvements to our wonderful Caspar Community Center.

- We need to grade and gravel the driveway/parking lot. This includes better drainage for the seasonal spring under the parking lot.
- We would like to extend the rear deck for more room and greater seating capacity. This was originally planned for the Solarium/Kitchen construction but deleted due to budget constraints.
- Our Kitchen needs new hotel pans, sheet pans and utensils. We have lost many of these items over time to wear and attrition.
- Disaster preparedness. We wish to provide a safe haven for the community in case of earthquake, fire or tsunami. The Center is already energy independent for such emergencies and we would like to add cots, blankets and reserve food supplies.

In this holiday season of giving please consider a generous tax-deductible donation to Caspar Community. We receive no government funding and exist solely on revenues from rentals, classes and contributions from the greater Caspar community.

We are grateful to those who make a monthly pledge. If your year-end contribution is not possible at this time, a monthly pledge may be for you. Pledge information is available on our website.

Thank you , and HAPPY HOLIDAYS!
