To preserve & enhance the quality of all life in Caspar

Thanksgiving 2022

Dear Neighbors and Friends,

In writing this letter I had to look up synonyms for joy.

What are your favorite memories from the Caspar Community this year?

I remember this summer, streamers of sunlight lighting the way for Gertie the Gorse Monster's drum-driven parade, celebrating 20 years of the Caspar Community Center: a day of delicious storytelling, dancing, playing . . . and of course eating! Recently on an evening dog walk I heard the joyous sound of a Mariachi band wafting across the gold grass fields, playing it out for their 80-year-old matriarch. **This community is lucky to share in the connectivity of history together, and to host memory-making events for families and communities from up and down the Mendocino Coast.**

During my first year as a Caspar resident and new board member I've gotten to know the Caspar Community Board Members and to appreciate the different ways they bring their deep care for this place and the people who live and visit here to life. I hope to continue in this work of generosity with all of you in the coming years!

What is next? When board members look into the future for Caspar Community a few dream projects are coming into view, with you right by our sides.

- We are re-committed to gathering together. Quarterly community meetings and meet-your-neighbor pot lucks will be on the calendar. Fourth Sunday Breakfast and the new Game Night catch both morning people and night owls for a time to catch up and enjoy good food.
- Indoors our dancers report that time to update the floors in the North and South Room is coming: a project that will necessitate closing the Center's doors for weeks at the earliest in 2024.
- A longtime vision for a patio (more dancing!) and an outdoor kitchen is starting to come together. Research began this summer and all that's learned will be shared at a community meeting this year.
- And keeping the roof over our heads in good health, the north roof face could use some clean up.

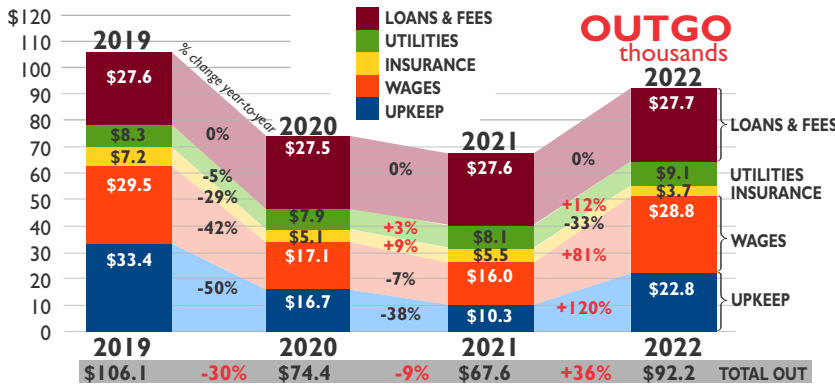

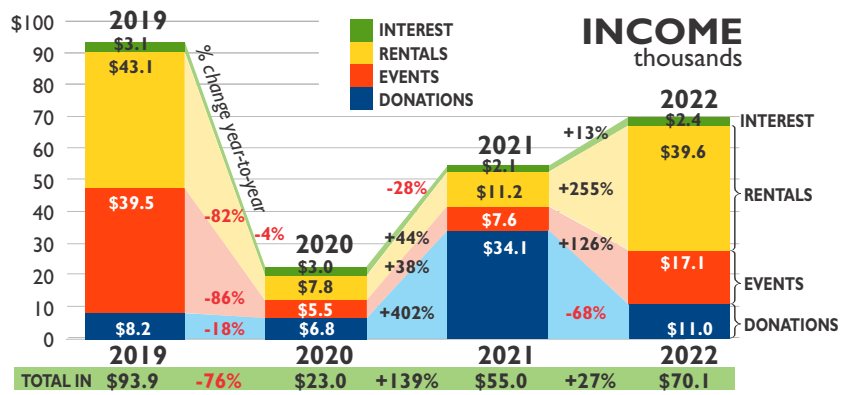

You all show up for Caspar. That's what makes us a community! You show up in the kitchen, behind a cart of folding chairs, under the deck checking electrical plugs . . . and in our bank account too. Please consider a donation to Caspar Community this winter. Your gift to Caspar Community is tax-deductible. You can visit our website at casparcommons.org, email us at caspar@mcn.org, or give us a call 707.964.4997 to make a donation, set up a monthly pledge, or for information about how to include Caspar Community in your estate planning.

Thank you, friends and neighbors. Be healthy and I hope to see you over a bowl of soup, cup of tea, or across the mailboxes soon.

Once again, the costs of operating our Center has outrun our income. This year, the shortfall is 32% of income, or about \$22,000.

But look how prudently the Center navigated the setbacks of the last two years: we're coming back strong! Our employees cut their wages by 42% in 2020, and another 7% in 2021. The facilities committee reduced upkeep expenses by 50% and 38%; only this year have we been able to pick up necessary deferred maintenance (but we're still down \$10k from 'normal' operations in 2019.)

Our Community Center has been called “a Coastal Treasure” and “a model of excellent nonprofit management.” Please help us keep the Center alive by donating generously before the end of 2022.
