Special Speaker:

Rochelle Elkan proposed to the Board a change to the Caspar print now on t-shirts and aprons. She suggested we ask local artist Sev Ickes to paint a scene depicting the CCC, and have it be done in time for CasparFest.

Having already approached Sev Ickes of this idea, Rochelle then presented to the Board an e-mail from the artist outlining the cost, size, and availability for reprint logistics. After much discussion the Board voted to hold off on the project until we can establish if Sev can complete it by CasparFest, and if there is enough money to pay for such.

There was also discussion if CCC could ask patrons to donate dollars and then have their likeness painted into the scene. Board decided to hold off on this plan until more answers from the artist were received.

E-mail approval was discussed and dropped.

Board President Miriam Davis thanked Rochelle and asked her to relay to Sev Ickes our great interest. Tabled until next Board meeting
